To Whom It May Concern,

This is W.L. Gore & Associates, Inc.'s biennial compliance report on the institutional controls set forth in the Environmental Covenant in place at 555 Paper Mill Rd, Newark, DE 19711.

The restricted areas on the property include the Surface Impoundment (Exhibit A) and the basement of SWMU7/Shed (Exhibit B). Since the covenant has been recorded, there has been no digging, drilling, excavating, grading, construction, earth moving, or any other land disturbing activities at depths greater than two feet in either restricted area. The SWMU7/Shed remains as a file storage room only where permanent occupancy is not allowed.
